INDEPENDENT AUDITOR'S REPORT

**TO
THE MEMBERS OF
EMS GREEN ENERGY PRIVATE LIMITED**

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of **EMS GREEN ENERGY PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including other comprehensive income), Statement of change in Equity and the Statement of Cash Flows for the year then ended and notes to financial statements including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian accounting standards prescribed under section 133 of the act read with companies (Indian Accounting standards) Rules 2015, as amended (Ind AS) and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its Loss and other comprehensive loss, changes in equity and its cash flows and the change in equity for the year ended on that date.

BASIS OF OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. There are no such matters which are required to be addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Reporting of Key Audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is a private company.

OTHER INFORMATION

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and auditor's report(s) thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The management and Board of Directors of the Company are responsible for the matters stated in Section 134(5) of the Companies Act 2013 ('the act') with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive incomes and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process. The Company has initiated the process of closure with the Ministry of Corporate Affairs (MCA) considering the management's intention to discontinue the operations of the Company.

AUDITOR'S RESPONSIBILITY

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether financial statements are free from material misstatement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, based on our report, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;

- c) The company doesn't have any branch office, the accounts of which have been audited by person other than company's auditor under section 143(8) of the Companies Act 2013. Hence clause (c) of section 143 (3) does not apply to the company.
- d) The Balance Sheet, Statement of Profit and Loss (including other comprehensive income), Statement of Change in Equity, Statement of Cash Flows dealt with by this report are in agreement with books of accounts.
- e) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- f) There are no observations or comments on the financial transactions or matters which have an adverse effect on the functioning of the company.
- g) On the basis of written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act;
- h) There are no qualifications, reservations or adverse remark relating to maintainance of accounts and other matters connected therewith.
- i) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of the Company's internal financial controls, refer to "Annexure B "
- j) With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act: In our opinion and according to the information and explanations given to us, no remuneration is paid by the Company to its directors during the current year and hence provisions of Section 197 of the Act is not applicable.
- k) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- a. The Company does not have any pending litigations which would impact its financial position.
 - b. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the company.

- d. (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested except joint ventures (either from borrowed funds or share premium or any other sources or kind of Funds) by the company to or to any other persons or entities including foreign entities with the understanding whether recorded in writing or otherwise, that the intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company or provide any guarantee, security or the like on behalf of the ultimate Beneficiaries.
- (b) The Management has represented, that, to the best of its knowledge and belief, that no funds have been received by the company from any persons or entity including foreign entities with the understanding, whether recorded in writing or otherwise, that the company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding Party or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under sub clause (a) and (b) contain any material misstatement.
- e. The Board of Directors of the Company have not declared or paid any dividend during the year as per section 123 of the Companies Act 2013.
- f. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account, which have a feature of recording audit trail (edit log) facility for all relevant transactions recorded in the respective software.

Further, for the periods where audit trail (edit log) facility was enabled, we did not come across any instance of the audit trail feature being tampered with.

Annexure B to the Independent Auditors' Report
(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements'
section of our report of even date)

The Annexure referred to in Independent Auditors Report to the Members of the Company on the Financial Statements for the year ended 31st March 2026, we report that:

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **EMS GREEN ENERGY PRIVATE LIMITED** ("the Company") as of 31 March 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation, and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

As the Company has incurred losses during the current year and also has carried forward losses from previous years, and in the absence of sufficient convincing evidence regarding availability of future taxable profits, no deferred tax asset has been recognised in these financial statements.

3.8 Cash & Cash Equivalents

Cash and cash equivalents comprise of cash in hand which is Nil as on 31st March 2026.

3.9 Equity & Reserves and Surplus

Share capital represents the nominal (par) value of shares that have been issued and paid-up.

Other components of equity include the following:

Surplus in the statement of profit and loss includes all current and previous period retained profits.

3.10 Provisions, contingent assets and contingent liabilities

The company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. These provisions are reviewed at the end of each reporting date and are adjusted to reflect the current best estimates. The Company uses significant judgement to disclose contingent liabilities.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent Liability or Contingent assets are neither recognised nor disclosed in the financial statements.

3.11 Significant management judgment in applying accounting policies and estimation uncertainty

When preparing the financial statements, management makes a number of judgments, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

Significant management judgment

The following are significant management judgments in applying the accounting policies of the Company that have the most significant effect on the financial statements.

Current and non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

Considering the nature of business activities of the Company, the time between deploying of resources for projects / contracts and their realisation in cash and cash equivalents, the

Company has ascertained its operating cycle as twelve months for the purpose of current or noncurrent classification of assets and liabilities.

3.12 Cash Flow Statement

Cash Flows are reported using the indirect method, whereby profit for the year is adjusted for the effects of transactions of a non cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income and expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

3.13 Related Party Transactions

Disclosure is being made separately for all the transactions with related parties in Note 18 of the financial statement as specified under IND AS 24 "Related Party Disclosure" issued by the Institute Chartered Accountants of India which is at arm length price.

3.14 Segment Reporting

There are no Separate reportable segments as defined by IND AS 108 "Operating Segments".

3.15 Recent Accounting Pronouncements

The Ministry of Corporate Affairs ("MCA") has notified certain amendments to the existing Indian Accounting Standards ("Ind AS") under the Companies (Indian Accounting Standards) Rules, as amended from time to time, which are applicable to the Company from 1 April 2025.

A) Amendments to Ind AS 1 – Presentation of Financial Statements

The MCA notified amendments to paragraphs 69 to 76 of Ind AS 1 relating to classification of liabilities as current or non-current. The amendments clarify:

- the meaning of a right to defer settlement;
- that the right to defer settlement must exist at the end of the reporting period;
- that classification is unaffected by the likelihood that the entity will exercise its right to defer settlement; and
- that only if an embedded derivative in a convertible liability is itself an equity instrument would the terms of the liability not affect its classification.

The amendments also require additional disclosures for non-current liabilities arising from loan arrangements that are subject to future covenant compliance.

These amendments became effective for annual reporting periods beginning on or after 1 April 2025 and are required to be applied retrospectively. The amendments did not have any material impact on the financial statements of the Company.

B) Amendments to Ind AS 7 and Ind AS 107 – Supplier Finance Arrangements

The MCA notified amendments to Ind AS 7, Statement of Cash Flows, and Ind AS 107, Financial Instruments: Disclosures, relating to supplier finance arrangements. The amendments require additional disclosures to enable users of financial statements to assess the effects of such arrangements on an entity's liabilities, cash flows and exposure to liquidity risk.

These amendments became effective for annual reporting periods beginning on or after 1 April 2025. The amendments did not have any material impact on the financial statements of the Company.

C) Amendments to Ind AS 21 – Lack of Exchangeability

The MCA notified amendments to Ind AS 21, The Effects of Changes in Foreign Exchange Rates, to specify how an entity should assess whether a currency is exchangeable and determine the spot exchange rate when exchangeability is lacking.

The amendments also require disclosures that enable users of financial statements to understand the impact of a currency not being exchangeable on the entity's financial performance, financial position and cash flows.

These amendments became effective for annual reporting periods beginning on or after 1 April 2025. The amendments did not have any material impact on the financial statements of the Company.

D) Amendments to Ind AS 116 – Lease Liability in a Sale and Leaseback

The MCA notified amendments to Ind AS 116, Leases, relating to lease liability in a sale and leaseback transaction. The amendments specify the requirements that a seller-lessee uses in measuring the lease liability arising in such transactions to ensure that the seller-lessee does not recognise any amount of gain or loss relating to the right of use retained.

The amendments did not have any material impact on the financial statements of the Company.

E) Ind AS 117 – Insurance Contracts

The MCA notified Ind AS 117, Insurance Contracts, under the Companies (Indian Accounting Standards) Amendment Rules, 2024.

Ind AS 117 establishes principles for the recognition, measurement, presentation and disclosure of insurance contracts and replaces Ind AS 104, Insurance Contracts. The standard applies to insurance contracts, certain guarantees and certain financial instruments with discretionary participation features, subject to specified scope exemptions.

The standard did not have any material impact on the financial statements of the Company.

F) International Tax Reform – Pillar Two Model Rules – Amendments to Ind AS 12

The MCA amended Ind AS 12, Income Taxes, in relation to the OECD Pillar Two model rules. The amendments introduce:

- a mandatory temporary exception from accounting for deferred taxes arising from the implementation of the Pillar Two model rules; and
- disclosure requirements to help users of financial statements understand an entity's exposure to Pillar Two income taxes.

The amendments did not have any material impact on the financial statements of the Company.

ii) Fair Value Hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the accounting standard.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. The fair value of all equity instruments which are traded in stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on equity specific estimates. If all significant inputs required to fair value an instruments are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3. This is the case for unlisted equity securities, security deposits included in Level 3.

Note No. 20

A) FINANCIAL RISK MANAGEMENT

The Company has no financial liabilities and no financial assets during the year.

The Company is not exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management ensures that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. All derivative activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

(a) Market risk

The Company is exposed to market risk through its use of financial instruments and specifically to currency risk, interest rate risk and certain other price risks, which result from both its operating and investing activities.

-Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates. The company has no borrowings during the year and hence it is not exposed to Interest rate risk.

-Foreign Currency risk

The Company's transactions are carried out in Indian Rupees. Hence there is no foreign currency risk.

(b) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including investments, deposits with banks and financial institutions and other financial instruments.

(i) Trade receivables

Customer credit risk is managed by the Company's established policies, procedures and controls relating to customer credit risk management. Credit quality of a customer is assessed based on an individual credit limits and are defined in accordance with management's assessment of the customer. Outstanding customer receivables are regularly monitored. The concentration of credit risk is limited due to the fact that the customer base is large. An impairment analysis is performed at each reporting date using a provision matrix to measure expected credit losses. There are no trade receivables in the company and hence there is no credit risk.

(c) Liquidity risk

Liquidity risk is the risk that the Company may encounter difficulty in meeting its present and future obligations associated with financial liabilities that are required to be settled by delivering cash or another financial asset. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, bank loans and finance leases. The Company closely monitors its liquidity position and deploys a robust cash management system. It aims to minimise these risks by generating sufficient cash flows from its current operations, which in addition to the available cash and cash equivalents and sufficient committed fund facilities, will provide liquidity. The liquidity risk is managed on the basis of expected maturity dates of the financial liabilities. The carrying amounts are assumed to be reasonable approximation of fair value. The company is not producing sufficient cash flows from its operations as it is not in working condition.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.
